PREFACE

GEC's G. S. Patil Arts and Commerce College, Kundgol was established in 1986 by the great efforts of Late Shri G S Patil, a leading advocate by profession. He is a great visionary who dreamt to transform this rural and backward area through primary to higher education. The founder of the institution worked with holistic attitude, dedicated and patriotic zeal, wished to impart quality education in and around Kundgol. Today, this college has earned a very good reputation and is striving hard to uplift the underprivileged youth and weaker sections of this area. Now, the college has grown to greater heights providing ample opportunities to the underprivileged and agricultural class of population to pursue education. It is a matter of pride and prestige that, the college has encouraged "Youth Empowerment" and is constantly engaged in nation building activities. The college aims towards "Value Orientation" and the curriculum is being taught with added ethical and moral values. The staff and teaching fraternity is putting their best to train the students to meet the challenges of the world.

The college is known for its hard work and excellence. The faculty and students are extremely proud of its past and present achievements. Our student population are from underprivileged and challenged communities belonging to SC/ST/OBC, Economically backward classes and majority are of them are lady students.

We are privileged to be guided by the leadership in the peer team to introspect, reflect and envision the prospect of becoming better in what we do and how we do it. The outcome of the Assessment and Accreditation by NAAC is a great privilege and encouragement for the institution to work for the overall development of the students to bring them qualitatively through core values of education.

DEDICATED TO

Late Shri. GOUDAPPAGOUDA S. PATIL,
M.A., LL.B.
FOUNDER CHAIRMAN OF THE INSTITUTION

ABOUT THE FOUNDER CHAIRMAN OF THE INSTITUTION

Kundgol is the famous land which produced many eminent scholars in the field of classical music, drama, spirituality, art and architecture. Pandit Sawai Gandharva, Basavaraj Rajguru, Yaliwal Siddayya, Shishunal Sharif, Basavaraj Gudageri etc, were the eminent personalities who enrich and enhance the scope of the culture of this region. Though it has achieved heights in many areas but lagging behind in the field of higher education. Since centuries, the people of this land depends upon far off cities for their higher learning. The downtrodden and underprivileged people, especially rural mass, totally deprived from higher learning. Keeping this situation in mind, **late Shri. G.S. Patil**, our beloved the then Chairman, established an Educational institution called, **Group Education Committee**, established Primary and High School in, Rottigwad village of Kundgol taluka in 1974 to provide learning opportunities to the people of this area. He all alone struggled very hard to shape the destiny of Kundgol villagers in higher education. He put all his efforts and wealth and sacrifice his whole life for the betterment of the society. With the same spirit and enthusiasm, the then Chairman established GEC College in Kundgol in 1986. Later the college renamed as GEC's G.S Patil Arts and Commerce College, Kundgol in February 2000.

The contribution of late Shri. G. S. Patil in establishment of educational institutions Kundgol taluk are land mark and memorable in the history of Kundgol taluk. It is also proud to state that, our's is the only institution established higher education under the title of GEC's G.S. Patil Arts & Commerce College. This has enriched the rural men and women to be graduated and brightened their career from this esteemed institution. The founder Chairman late Shri.G.S. Patil is the only person solely and continuously struggled, till his last breath, to provide and enhance higher learning opportunities to the rural mass. It is our great grief that unfortunately the institution lost the yomen leader on 11-05-2012. His Visision, Mission in shaping the career prospects of the villages are carrying out by the present Management and institution collectively with sincere and holistic efforts..

ABOUT KUNDGOL

Kundgol is a famous place in Dharwad district of Karnataka. It is located about 14 k.m. South-West of Hubli and 32 k.m. South-West of Dharwad. Here a good deal of Poets, Musicians, Artists, Dramatists and Saints were born and brought up. They have rendered striking services and they have made this place holy. The soil of this land has produced many national and international personalities.

Kundgol is famous for Hindustani Music. Rambhau Kundgolkar, popularly known as Sawai Gandharwa, a disciple of late Ustad Abdul Karim Khan, was born here in 1886. Pandit Sawai Gandharwa is the main architect of Kirana Gharana school of music and was produced many great disciplines like Dr. Gangubai Hanagal, Bharat Ratna Pandit Bhimsen Joshi, Dr. Mallikarjun Mansur, Pandit Basavaraj Rajguru and Shri Babasaheb Nadger. All of them have made miracles in an every molecule of music – a celebrated musicians that ever to be seen in this world. The Nadgir family of Kundgol is known for patronising Hindustani music. Shri Siddayya Yaliwal and Shri Basavaraj N Gudageri are the famous dramatists of this land. Kundgol also produced many great religious personalities. Shri Guru Govind Bhat of Kalas taught Shri Shishunal Sharif. Later, Shri Sharif becomes one of the great saints of Karnataka.

History:

Historically Kundgol comes under the core area of western Chalukya Empire. The existence of 11th century Shri Shanmbhulingeshwar temple supports this claim. This temple is dedicated to Lord Shiva and built with highly polished stones which are dovetailed into one another. The carvings and images on the pillars are well cut. The

temple was a victim of Mahammadans and was repaired by a former Chief during 1808-09.

Geography:

Kundgol is located at 15.250 N 75.250E. It has an average elevation of 615 meters (2017 feet) from sea level. The total area of the Kundgol town is 2.8 Sq.k.m.

Demographics:

As of 2011 Census of India, the population of Kundgol taluk is 1,65,568. Male constitute 84,806 being 51.2% of the population and Female constitute 80,762 being 48.8% of the total population. The literacy level of the taluk is 65.9%. Children under the age group of 0-6 years are 19,008. The population of the Kundgol is 18,726. Male constitute 9,423 being 50.3% and Female constitute 9,303 being 49.7% of the town population. The literacy rate of the town is 58%. Children under the age group of 0-6 years are 2,184. The town municipality was formed during 1877 and having 15 wards at present.

ABOUT THE MANAGEMENT

In 1974 men with the visionary zeal united together under the dynamic leadership of Shri.G.S.Patil to start GROUP EDUCATION COMMITTEE keeping in view to offer educational opportunities for predominantly underprivileged, challenged backward and rural population of Rottigwad and its surrounding villages. Thus G K HIREGOUDAR high school came in to existence on the precious land donated by Shri V G Hiregoudar in the memory of his father. Later the high school was extended into P.U. college during 1982.

It is easy to build institution but difficult to maintain its maintenance. But Shri G.S. Patil has executed his mission in higher education without expecting any source either from society or from the Government. He stood and strived all alone and the community is surprised to his driving spirit. His continuous efforts resulted in shaping the destiny of GEC Arts and Commerce College in Rottigwad, the only degree college under KUD which established in a tiny village. But to serve the wider and large population, the management of the college decided to shift the college to a centralized place, Kundgol. During 2000 February, the college has been renamed as GEC G. S. PATIL ARTS AND COMMERCE COLLEGE, KUNDGOL. Our beloved founder Chairman Shri.G.S. Patil had passed away in May, 2011.

To carry out the Vision, Mission and Objectives of the GEC Institutions, Shri.Girish Patil, Civil Engineer and Architect, elected as Chairman of the Management Committee who is an young and dynamic leader is successfully steering the process of the development and progress of the institutions. Under his noble guidance and leadership, the institutions are growing to meet its core values of Vision, Mission and Objectives.

ABOUT THE COLLEGE:

GEC G S Patil Arts and Commerce College is the oldest and the prominent educational institution of entire Kundgol taluk established in 1986. This college was established with the great efforts and sacrifices of late Shri G S Patil with an objective of providing higher education to poor, rural, needy and deprived committees of Kundgol taluka in particular and others in general. Before the establishment of this college, Hubli was the only centre of higher education in this

region which was beyond the reach of village people. Keeping this in view, our committee established this college in the year 1986 to make the higher education accessible to the people of this region.

In the beginning year the college was functioned in Shri Harbhat high school and later, after few months, with the support and help of then Tahasildar Shri S G Biradar and the then M.L.A. Shri B A Uppin, it was shifted to its new land and building (in total area of 2.25 acres). In the last 25 years about 3500 students have graduated from this college. A bulk of these students belongs to the villages and backward classes thereby bring a colossal change in the society.

Efforts of the college were rewarded by both Karnatak University and UGC by providing permanent affiliation and recognizing the college under 2(f) and 12B Act of UGC (on 06-05-2005). The hallmark of GEC G S Patil college is its first learners. Along with other students, the first learners undergo an immense transformation, which is noticeable from their academic and other performance.

EXECUTIVE SUMMARY

CRITERION-I CURRICULAR ASPECTS:

Vision, Mission, Objectives are to facilitate and provide higher education opportunities to under-privileged, rural background, economically poor students and to develop national integrity. The institution follows curriculum prescribed by the affiliating university. For the effective implementation of curriculum, the Principal and IQAC along with teaching staff prepare calendar of events and academic time-table to complete the syllabus in time.

The Institution always encourage the faculty members to participate and present suggestions / feedback on curriculum revision. Augmented well-equipped computer laboratory along with high bandwidth internet connectivity. Sufficient learning resources at the library.

Effective flow of curriculum could be possible only through proper teaching plans. Faculty members are committed to deliver the curriculum comfortably within the time-span based on teaching plans.

Some of the members of the faculty have published text books as per the university syllabus.

College has introduced 02 institutional level certificate courses i.e., Spoken English and Tally. These courses are run by the management and all financial burden taken care by the institution alone. Course materials are designed by the department of English. Students are given course materials, sufficient training and after the successful completion of the course, they are issued certificate.

One of the primary objectives of the institution is to provide education to rural, socially backward and economically weaker students of this area and also strengthen a student in his spiritual, moral and physical capabilities.

CRITERION II: TEACHING-LEARNING AND EVALUATION

The admission process purely dealt on the basis of guidelines issued from time to time by the affiliating university and Department of Collegiate Education, Govt.of Karnataka. Due consideration is given to reserved candidates like; SC/ST/OBC / Physically Challenged students. Admission at the entry level is given to the candidates on the basis of first-cum-first serve since our college is located in the rural area. For the transparency of admission, institution displays detailed fee structure course-wise and category-wise on the college notice board.

College has maintained cumulative record of the students indicating the academic progression in the form of result scored in the previous university examination. The overall conduct of the students is monitored by the subject teachers. Any students who are deviating from the academic prospects, such students are given proper counseling and guidance. Overall, for seeking admission to the succeeding year, admission committee do refer the student's record i.e., previous results, involvement in co-curricular and extracurricular activities, etc.

To quest for excellence in all aspects college has established IQAC in 2013-14. IQAC has taken prompt initiatives to strengthen teaching-learning process.

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

Most of the teachers have undertaken research work for the award of Ph.D. degree at various universities. College library is proportionally augmented with all essential study materials, internet connectivity and registered for INFLIBNET N-List. Research related magazines, journals, research articles are available in the library.

To get updated knowledge and skills relating to academics, institution has invites very many academicians, scholars to deliver special lectures on different subjects. This has motivated and enabled teachers and students to interact with the resource persons about the topic delivered. This has enriched staff and students to gain advanced level of academic knowledge. College has encouraged faculty and students to imbibe research culture by way of participating and presenting academic papers at State / National / International level seminars, conferences, workshops, etc. College has given necessary

financial support timely for procuring research related books, magazines, internet connectivity, INFLIBNET N-List, reprography, etc.,.

To prepare students about social concern and establish neighbourhood relationships, institution has NSS unit, Rovers Club, Youth Red Cross Wing, Heritage Club. To promote the institution-neighbourhood-community network, college has conducted various activities with the support of these units.

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

To enhance infrastructural facilities for effective teaching and learning, institution has adopted some of the policies to encourage and update necessary learning resources including infrastructural facilities. Institution collects feedback from the students, teachers' views, alumni with regard to the learning resources required to be upgraded based on the advancement and revision of syllabus, etc.,.

College has 08 spacious & well ventilated classrooms. All class rooms are well ventilated and facilitated with fans. Computer laboratory along with UPS facility. Well stacked library with variety of reference & textbooks & separate reading facilities for boys & girls with spacious sitting arrangements. College has various associations like; (a) Cultural (b) Language Forum (c) Commerce Union (d) Ladies' Association (e) Tour Committee

CRITERION V: STUDENT SUPPORT AND PROGRESSION

College publishes updated prospects / handbook annually. And also facilitates the information on institutional website i.e., www.gspcollegekundgol.com. To encourage students to actively participate in cocurricular and extra curricular activities. Proper training, coaching, guidance provided from the external experts to train students for participation in various competitions at zonal, regional, university, inter zonal, state level competitions. To imbibe the qualities of competitive spirit among students, college has provided various flatform to conduct competitions in the college and also participate outside college.

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

The Vision and Mission statements of the institution are in general agreement with Government policies of higher education of the nation. They also confirm to the social needs and satisfy the objectives of the statutory bodies viz; UGC and Karnatak University. The institution provides education without any bias to gender, caste, creed or religion. The Vision statement is translated into activities through systematic extension of several activities (services) by various committees and by dedicated faculty members.

The management of the college is deeply committed to and directly involved in all the major activities. The Chairman of the management taken keen interest and act as guiding force in the developmental activities of the institution. The principal of the college equally committed to play his role to design and implementation of quality policies and plans framed by the management. Moreover, each faculty feels the responsibility in the formulation and practice of policy and plans to accomplish the broad objectives, Vision and Mission.

To inculcate the advanced knowledge and skills, faculty members encouraged to participate, in refresher, orientation course, workshop, seminar, conference. For the completion of the entire syllabus within time frame of ever semester, principal collects teaching plan i.e., conspectus from each faculty member. Facilitated with necessary softwares and LCD, audio-visual, so that teachers can teach through these aids. For the continuous working of computer laboratory, provided UPS.

CRITERION – VII INNOVATION AND BEST PRACTICES

Our institution is surrounded with full of greenery. College has put sincere attempt to adopt eco-friendly practices in the campus. College has sufficient water facility for gardening and maintenance. Staff and students use water and electricity judiciously with the objective of conserving these two crucial and scarce resources. College has introduced Best Practices i.e., TYPEWRITING SKILLS THROUGH COMPUTER and MORAL VALUES THROUGH SPIRITUAL ENRICHMENT

Syllabus prescribed by the university for B.Com. included with complete technical knowledge about fundamental of computer applications and B.A. students also have

computer application as a compulsory subject only at IV semester that too only theory paper without practical.

Our college is located very much in rural background. Students are from economically backward, under privileged. Students are getting deviated from the main responsibilities just because of the advancement of technology. Instead of using the technology for overall personality but technical utilization most often attracted for distraction. Students need to be nourished and cherished spiritually. Moral values are declining now-a-days. To keep students active psychology, emotionally, ethically, morally, this concept has been introduced.

2.1.1 How does the college ensure publicity and transparency in the admission process?

Every year, college formulates Admission Committee which takes care about the transparency, guidelines by the competent authority at the time of admission process.

The institution ensures wide publicity to the admission process through:

- (a) College Notice Board
- (b) Institutional website
- (c) Banners and posters
- (d) Alumni Meeting
- (e) Neighbouring Junior colleges.

Transparency in the admission process:

The admission process purely dealt on the basis of guidelines issued from time to time by the affiliating university and Department of Collegiate Education, Govt.of Karnataka. Due consideration is given to reserved candidates like; SC/ST/OBC / Physically Challenged students. Admission at the entry level is given to the candidates on the basis of first-cum-first serve since our college is located in the rural area. For the transparency of admission, institution displays detailed fee structure course-wise and category-wise on the college notice board. Further, the following steps are taken for the admission process:

- ✓ Prospectus is issued along with the admission form.
- ✓ XII std. or equivalent qualifying marks cards are collected along with the applications.
- ✓ Counseling is provided to the students seeking a particular course.
- ✓ Parents are enlightened about the institutional facilities and teaching proficiency.

2.1.2 Explain in detail the criteria adopted and process of admission (Ex. (i) merit (ii) common admission test conducted by state agencies and national agencies (iii) combination of merit and entrance test or merit, entrance test and interview (iv) any other) to various programmes of the Institution.

Our's is the only institution started imparting education in the backward area of Kundagol. The very intention of the institution is to create awareness of higher education educate and bring to the main stream of the society. Most of the students seeking admission to our college are poor background, farmers' children and economically poor and downtrodden. In view of this, institution is focusing to strengthen the society in imparting education to under privileged students.

The admission committee adopted the process of admission purely based on the rules and regulations framed for the purpose by the competent authorities. Further, students are given proper guidance and counseling to choose right career and subject combinations. Admission is given to those who comply with necessary requirements on the policy of First cum First Serve basis.

2.1.3 Give the minimum and maximum percentage of marks for admission at entry level for each of the programmes offered by the college and provide a comparison with other colleges of the affiliating university within the city/district.

For seeking UG course, student must comply with minimum 35% at the previous examination for getting UG admission. The cut off percentage of the students admitted to the college during 2015-16 are as below:

Course	Our Institution		Govt.First Grade College, Kundgol.	
	Merit Category			
	Entry level Minimum %	Entry level Maximum %	Entry level Minimum %	Entry level Maximum %

YES.

College has maintained cumulative record of the students indicating the academic progression in the form of result scored in the previous university examination. The overall conduct of the students is monitored by the subject teachers. Any students who are deviating from the academic prospects, such students are given proper counseling and guidance. Overall, for seeking admission to the succeeding year, admission committee do refer the student's record i.e., previous results, involvement in co-curricular and extracurricular activities, etc.

Impact : This has helped institution to identify slow learners. College has regularly arranged remedial classes for slow learners.

2.1.5 Reflecting on the strategies adopted to increase/improve access for following categories of students, enumerate on how the admission policy of the institution and its student profiles demonstrate/reflect the National commitment to diversity and inclusion

- * **SC/ST**
- * **OBC**
- * **Women**
- * **Differently abled**
- * **Economically weaker sections**
- * **Minority community**
- * **Any other**

The institution and management is inclined cater to the needs of below average students and downtrodden rather than meritorious. The main objective of the institution is to provide equal opportunity for all categories of students who seek admission in our college. Admission policy adopted for the following category of students are ;

SC/ST/OBC – Students belonging to these categories are facilitated with government provisions like; fee concessions, special scholarships, government

hostel, full set of books at every semester, bus pass, etc. College has established SC/ST Cell to monitor the overall performance belonging to these categories. Students who found to be slow learner, extra coaching classes being conducted. Institution has conducive atmosphere, hence, students belonging to these category are very much comfortable in all aspects.

The overall record of the admission in the institution indicate that majority of the students belonging to OBC are more than 85% compared to general merit. Remedial classes are conducted for the slow learners belonging to SC/ST/OBC students.

Women – College has provided very conducive atmosphere for women students. College has established Prevention of Sexual Harrassment Cell as per the direction of UGC. College has provided all essential provisions for these students. The strength of the women are more compared to boy students.

Differently-abled – Though number of students belonging to these category is less, but still, college has provided ramp for those who have taken admission. Wheel chairs are facilitated through donors. Government facilities like; scholarships, free bus pass, health check up etc., being provided.

Economically weaker sections – Fee concessions are provided. Institution has facilitated students to pay the affordable fees at the installment mode.

Sports persons – Sports students are provided admission on the priority basis. College provide sports uniform, equipments, gymn, proper training and coaching, etc,. This has encouraged college to get every year very many blues.

The following is an example indicating the different category of students taken admission in 2014-15;

	General Merit	SC	ST	OBC	Differently Abled	Boys	Girls	Total
No.of students	13	09	25	219	03*	107	159	266
Percentage	4.9%	3.38%	9.39%	82.33%	* included in list.	40%	60%	100%

2.1.6 Provide the following details for various programmes offered by the institution during the last four years and comment on the trends. i.e. reasons for increase / decrease and actions initiated for improvement.

Following table indicate the students enrollment for the last four years.

Year	No.of Applications	No.of students admitted	Demand Ratio
B.A. course [I/III/V sem]			
2011-12	275	275	1:1
2012-13	310	310	1:1
2013-14	265	265	1:1
2014-15	177	177	1:1
B.Com. course [I/III/V sem]			
2011-12	87	87	1:1
2012-13	105	105	1:1
2013-14	94	94	1:1
2014-15	89	89	1:1

Comments on trends:

The above data indicate gradual decrease in the admission for the last two years. Kundagol being the backward and rural area with minimum population, some of the new government first grade college and private degree colleges are emerged. This has greatly caused for the decline in the admission in the subsequent years.

Action implemented by the college

- Enhance the infrastructural facilities.
- Conduct of on and off campus interview processes.
- Providing sufficient learning resources.
- Augmenting e-learning resources.
- Publicity of successful students.
- Study tours, field works, projects, etc.
- Adoption of Mentor system

2.2 CATERING TO STUDENT DIVERSITY

2.2.1 How does the institution cater to the needs of differently-abled students and ensure adherence to government policies in this regard?

The overall differently-abled students strength is negligible in our college.

However, we provide the following facilities to such students:

- Convenient ramps have been created.
- Regular medical checkup

The performance in the qualifying examination indicates the advanced students and slow learners. Before the commencement of the course, college conducts induction programme. Detailed instructions like; discipline, rules and regulation, different provisions, library, office, office bearers, etc., given to fresher students. Further, following are the some of the measures adopted by the college to find out students' requirements in terms of knowledge and skills, etc.

- ❖ The format indicating the students' skills and learning requirements. This has helped the institution to facilitate advanced learners and slow learners requirements.
- ❖ Mounted suggestion boxes wherein students can drop any academic suggestion.
- ❖ **Career Guidance and Placement Cell:** Proper counseling is provided on career prospects and helps in getting into job market. Students are given with following trainings before getting into campus recruitment -

- (1) Interview skills
- (2) Language and Analytical Skills.
- (3) Personality Development, etc.

- ❖ Augmenting learning resources based on the feedback collected from students
- ❖ Conduct of various activities like; debates, presentations, group discussions, etc., to improve the knowledge and skills of students.
- ❖ Feedback from the outgoing students about the infrastructure, learning resources, etc.,.

2.2.3 What are the strategies adopted by the institution to bridge the knowledge gap of the enrolled students (Bridge/Remedial/ Add-on/Enrichment Courses, etc.) to enable them to cope with the programme of their choice?

The overall strength of the students is from rural background. They all need to be exposed to advanced learning in addition to existing syllabus. The various strategies adopted and implemented by the college are;

- For non-commerce students i.e., JOC / Diploma / ITI, Science etc., who have taken admissions for commerce. Commerce faculty has conducted **Special Accountancy** and **Special Commerce** as a bridge courses.
- Commerce students are studying Computer Applications right from 2nd semester to 6th semester. To boost the subject and impart the advanced skills and knowledge, college has started add on course on **Certificate course on Tally**. Keeping in view of the financial position of the students, the course is running at a free of cost.
- B.A.-IV semester students need to study a theoretical paper on **Computer Applications**. Topics covered are; Windows OS, MS-Word, Excel, Power point, Access, internet, etc.,. As per the syllabus prescribed by the university, no practical sessions are included. Since the subject is very much practical oriented, college has arranged comfortable practical sessions so that students would be able to get minimum knowledge on computers.
- To get connected at a corporate level, language play major role. As majority of students are from kannada medium, to help them learn minimum English language skills, college has facilitated with

certificate course on, **Spoken English**. Computer lab is equipped with language software, so that students can get exposed to communication skills.

- To enrich the course, college regularly conduct study tours, industrial visits, field visits, visit to historical places, etc,

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 INSTITUTIONAL VISION AND LEADERSHIP

6.1.1 State the vision and mission of the Institution and enumerate on how the mission statement defines the institution's distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, institution's traditions and value orientations, vision for the future, etc.?

VISION:

"EMPOWERING RURAL YOUTH WITH KNOWLEDGE IN NATION BUILDING ACTIVITIES"

MISSION:

"Creating a generation of men and women imbued with the noble values of life to fulfill individual and social responsibilities with maturity".

OBJECTIVES:

- To create useful and good citizens.
- To provide higher education opportunities to rural mass.
- To develop a positive attitude.
- To support economically challenged learners.
- To awakening self respect and a belief in the intrinsic goodness of human beings.
- To enable students to be Dreamers, Believers and Achievers.

The Vision and Mission statements of the institution are in general agreement with Government policies of higher education of the nation. They also confirm to the social needs and satisfy the objectives of the statutory bodies viz; UGC and Karnatak University. The institution provides education without any bias to gender, caste, creed or religion. The Vision statement is translated into activities through systematic extension of several activities (services) by various committees and by dedicated faculty members.

6.1.2 What is the role of top management, Principal and Faculty in design and implementation of its quality policy and plans?

The management of the college is deeply committed to and directly involved in all the major activities. The Chairman of the management taken keen interest and act as guiding force in the developmental activities of the institution. The principal of the college equally committed to play his role to design and implementation of quality policies and plans framed by the management. Moreover, each faculty feels the responsibility in the formulation and practice of policy and plans to accomplish the broad objectives, Vision and Mission.

6.1.3 What is the involvement of the leadership in ensuring:

- **the policy statements and action plans for fulfillment of the stated mission**
- **formulation of action plans for all operations and incorporation of the same into the institutional strategic plan**
- **Interaction with stakeholders**
- **Proper support for policy and planning through need analysis, research inputs and consultations with the stakeholders**
- **Reinforcing the culture of excellence**
- **Champion organizational change**

The involvement of the leadership in ensuring all the above stated goals and ideals is positive and proactive. The leadership never abdicates its responsibility in any one of them. The leadership is quite transparent and outgoing in its interactions with stakeholders. During college functions, the Principal encourages the students to interact with them in all matters of concern and urgency. They are always ready to solve students' problems and to reinforce the culture of excellence. Many of our present policies are the result of need analysis and consultation with the stakeholders. The leadership is deeply aware of the need for organizational changes and efforts are being taken in that direction.

6.1.4 What are the procedures adopted by the institution to monitor and evaluate policies and plans of the institution for effective implementation and improvement from time to time?

The institution received feedback from parents and students from time to time. The institution also has certain internal mechanisms like staff meetings, parent-teacher meetings, interactions with media and the general public to discuss the effectiveness of its various policies and plans.

6.1.5 Give details of the academic leadership provided to the faculty by the top management?

So far as academic matters are concerned, the faculty is fully responsible to fulfill the task assigned to them satisfactorily. That is, the management would like to see that all staff members should play a leadership role in their academic activities. The management believes that the faculty should provide leadership to the student community in fulfilling institutional objectives. As a leader, the management expects that, each staff member should not confine their responsibility to classroom activities only but to draw student's attention to society, its problems and role of youth, etc.,. As a procedure, staff member should be the President of one or other student Union Association and IQAC, Library Advisory Committee and perform the activities prescribed.

Management encourage faculties to pursue M.Phil., Ph.D. degrees. Provided Necessary leave facilities for attending Seminars / Workshops / Conferences held at various levels.

CRITERION – VII INNOVATION AND BEST PRACTICES

7.1 ENVIRONMENTAL CONSCIOUSNESS

7.1.1 Does the institute conduct a Green Audit of its campus and facilities?

YES.

Our institution is surrounded with full of greenery. College has put sincere attempt to adopt eco-friendly practices in the campus. College has sufficient water facility for gardening and maintenance. Staff and students use water and electricity judiciously with the objective of conserving these two crucial and scarce resources.

7.1.2 What are the initiatives taken by the college to make the campus eco-friendly?

Energy conservation:

The office and classrooms of the college are well lit and ventilated. Natural availability of air and luminosity has helped in conservation of electricity.

Use of renewable energy:

The institution has 1.3 KV Generator System in college campus for supply of energy during electricity failure. College also provided UPS for the computer laboratory and library, wherever computer systems are set up.

Water harvesting:

--

Check dam construction:

The campus area is not sufficient for creation of a check dam.

Efforts for carbon neutrality:

- Planting and nurturing of a large number trees that ooze sufficient oxygen during day time. The efforts made by the institution to minimize carbon dioxide emission and achieve carbon neutrality are:
- To reduce the number of vehicles coming into the campus, only if the driver has a valid license his vehicles are permitted.

- Least possible use of Petrol/Kerosene Generator set. To maintain its fuel consumption efficiency DG set is regularly serviced and kept in peak performing condition.

Plantation:

College NSS volunteers actively involved in planting saplings every year in nearby places of college and also at adopted village.

Hazardous waste management:

--

e-waste management:

The college does not generate any significant e-waste that needs to be disposed on a large scale. However, to minimize e-waste equipments is repaired and reused.

7.2 INNOVATIONS

7.2.1 Give details of innovations introduced during the last four years which have created positive impact on the functioning of the college.

Several innovations have made in the academic, administrative and other areas of college working.

- Mobile free Zone:** During the class hours, students are restricted for usage of Mobile. In the present scenario, records indicate that most of the youngsters are getting deviated with the advancement of mobile. To focus towards the students' responsibilities, college in consultation with IQAC has prohibited for the use of mobile in the campus.
- Mentor System:** Some of the faculty members have adopted the concept of mentoring. Students can get academic guidance throughout the course so that preparing them to become competent in all aspects.
- Uniform for Students:** Major impact of this practice is, equality in all sense has come up. An equal treatment to students and among students is taken place. They look more disciplined and unified.

- iv. **Language Software:** College has facilitated with language software for spoken English and communication skills. Students can get exposed to interactive mode of classes so that they can learn language skills. HOD of English guides the students on communication skills. It attracts creative learning.
- v. **Remedial classes for slow learners:** The learning capacity varies from student to student. Some are quick in learning and some are slow. Remedial classes help such slow learning students to tackle with their studies easily and score well. It has increased the result over all.
- vi. **Installation of drinking water purifier:** We care for students' health so drinking water purifier is installed, in result of it pure drinking water for students is now made available.
- vii. **Cash Prize for meritorious students:** To motivate other students and encourage meritorious students, college honours advanced learners who have scored highest in previous examinations. Such students are honoured and respected with cash prize. This practice has impacted the hike in the results.
- viii. **Optimum utility of the Computer Lab:** In addition to the regular timetable for computer practical sessions, some of the courses like; spoken English, tally could not be able to complete the volume of exercises within the semester time-slot. Hence, college has provided additional provision for the students to utilize the computer during leisure, class gap time.
- ix. **Yoga :** 02 faculty members are well trained under Yoga. They are involved in moulding students and staff through the practice of Yoga. Yoga training is conducted every year. Students and staff have learnt various exercises through this yoga. This has impacted in overall development of personality.
- x. **Value based Thoughts:** College has initiated this approach. Before the commencement of the classes, common gathering is assembled. Prayer,

spiritual song and moral thoughts are spreads in the minds of students and staff. This help the faculty to deliver their responsibilities with much commitment in a holistic manner and enabling students community to strengthen moral education.

- xi. Thought for the Day:** Students are entrusted to write on a Notice Board meant separately for the purpose. Thought for the Day is written through the collection of innovative, motivational, creative thoughts.

- xii. Typewriting Skills:** College provide Typewriting skills so that staff and students can able to use the keyboard with proper key-layout. 15 days special training is being conducted to train the students. College invite expert to train the students. Typewriting skills related softwares have been installed in the computer laboratory.

7.3 BEST PRACTICES

7.3.1 Elaborate on any two best practices in the given format at page no. 98, which have contributed to the achievement of the Institutional objectives and / or contributed to the Quality improvement of the core activities of the college.

Best practice No.1

TYPEWRITING SKILLS THROUGH COMPUTER

Goal:

Syllabus prescribed by the university for B.Com. included with complete technical knowledge about fundamental of computer applications and B.A. students also have computer application as a compulsory subject only at IV semester that too only theory paper without practical.

The very purpose of introducing this course is to prepare every students to get acquainted with keyboard so that they can use it optimally and more efficiently. Typing with speed and accuracy is very much essential for DTP, administrative work and at various private / government / judicial departments. This course will help many students to compete for Computer Operator position through competitive examination

Context:

During the common gathering and feedback, students have expressed their opinion to facilitate and train with typewriting skills. Most of the students are from economically weaker section. Most of them expect self reliant through entrepreneurship and immediate placement after graduation. Till student get government job, this course help students to start their livelihood atleast at private institution with minimum earnings.

Practices:

This course is basically meant for those really in need. Installed Typewriting software. Training and guidance is given to the student and staff from the external expert whose typewriting speed is more than 150 wpm.

Students are informed about the course well in advance. The duration of the course is 15 days. Students who have responded to join the course, are intimated about the commencement of the training.

Training sessions are arranged after the class hours. Every day, students are given 2 hours of practical sessions. They need to follow the layout and start typing gradually. The software installed helped students greatly.

Outcome:

This innovative practice adoption has led:

- a. Staff and students can type without seeing keyboard with much speed and accuracy.
- b. Students at large are very much impressed and satisfied about the practice.
- c. Students can prepare any notes using MS-Word.
- d. Staff members can able to prepare any articles comfortably.

Impediments:

College takes care about the honorarium payable to the expert. College has not faced any other impediments in introducing and implementing this practice.

Best practice No. 2

MORAL VALUES THROUGH SPIRITUAL ENRICHMENT

Goal:

- Improving spiritual quotient of our learners and teachers.
- Reducing the stress on the minds.
- Upholding the spiritual heritage.
- Uplift of the souls of our human resource.

Context:

Our college is located very much in rural background. Students are from economically backward, under privileged. Students are getting deviated from the main responsibilities just because of the advancement of technology. Instead of using the technology for overall personality but technicalical utilization most often attracted for distraction. Students need to be nourished and cherished spiritually. Moral values are declining now-a-days. To keep students active psychology, emotionally, ethically, morally, this concept has been introduced.

Practice:

- * Special lectures on moral / spiritual education are arranged on auspicious occasions like; Swamy Vivekananda Jayanti, Dr.Ambedkar Jayanti, Mahatma Gandhi, etc.,
- * In addition to the learning resources at the library, books related to moral values are made available.
- * Every now and then, faculty members advise students to inculcate the moral values.

Outcome:

- Students have become strong morally and ethically.
- Students' etiquette, mannerism, respect to others increased gradually.
- Learnt to honour parents, teachers, elderly citizen.
- Helped NSS volunteers and students in general to have compassionate attention and help for those who are in need of any help.

Impediments:

We have not faced any impediments. Students have taken to meditation whole heartedly.

35. SWOC analysis of the department and Future plans

Strength:

- (1) Well Experienced and qualified faculty members.
- (2) Good result.
- (3) Providing a healthy and friendly environment in the department for making students interact with the faculty to discuss their problems.

Weakness:

Due to tight academic schedule of some system all the knowledge cannot be imparted.

Students are from rural background who are lacking with adequate skills.

Opportunities:

- To help them to get job opportunities as language teachers.
- To help them to get job opportunities as translators.
- Creating awareness in writing skills.
- Employment opportunities in government departments.

Challenges:

To provide them an enriching academic environment this could hold them from going to university for higher studies.

To make frequent use of ICT tools.

Future Plans:

To invite eminent scholars in the field of Kannada for special lecturers.

If possible the department has planned to organise state and national level seminar.

The foremost requisite for the department is setting up of language lab.
