PREFACE

GEC's G.S.Patil Arts and Commerce College, Kundgol was established in 1986 by the great efforts of Late Shri G.S.Patil, a leading advocate by profession. He is a great visionary who dreamt to transform this rural and backward area through primary to higher education. The founder of the institution worked with holistic attitude, dedicated and patriotic zeal, wished to impart quality education in and around Kundgol. Today, this college has earned a very good reputation and is striving hard to uplift the underprivileged youth and weaker sections of this area. Now, the college has grown to greater heights providing ample opportunities to the underprivileged and agricultural class of population to pursue education. It is matter of pride and prestige that, the college has encouraged "Youth Empowerment" and is constantly engaged in nation building activities. The college aims towards "Value Orientation" and the curriculum is being taught with added ethical and moral values. The staff and teaching fraternity is putting their best to train the students to meet the challenges of the world.

The college is known for its hard work and excellence. The faculty and students are extremely proud of the its past and present achievements. Our student population are from underprivileged and challenged communities belonging to SC/ST/OBC, Economically backward classes and majority are of them are lady students.

Prof. R B GODI

Principal,

GEC's G.S.Patil Arts & Commerce College Kundgol

College Profile

In 1974 men with a visionary zeal of Rottigawad and its surrounding villages come together with common ideas and goals towards rural development under the dynamic leadership of Late Sri. G.S.Patil. They were inspired in the belief that education was the only means to chart a progressive future. In fact the background to this inspiration lay in the non availability of education facilities in and around the villages of Rottigawad (Tq. Kundgol Dist – Dharwad) and lack of higher education facilities in smaller township of Kundgol. This Group education committee was established in 1974 at Rottigawad under the chairmanship of Sri. G.S.Patil. Immediately they set themselves to the task of realizing the dream as a concrete high school. Soon Shri. G. K. Hiregouder High school came in to existence on the precious land donated by Sri. V.G. Hiregouder in memory of his father. Thereafter in 1982 the high school was converted into Composite Junior College.

Bofore 1986 there was a huge cry for higher education. At that time, the pre university education was the only source and the students of this locality had to depend on far off cities. Owing to this, the rural children and the children of those who were economically backward in general and women In particular, that none had come up with thoughts pertaining to start a higher education. Under such circumstances, Sri G. S. Patil's deep understanding and a thrust to start a education institution inspired him to establish this college in 1986 in Rottigawad village. However, the experience of the management committee made them feel that shifting to a centralized place will provide opportunities to a wider and larger population of this locality. The Group Education Committee's immediate concern was to find a suitable location and infrastructure facility. At that time Late Sri. Mahadevappa B. Annigeri, a farmer, wholeheartedly donated his 4 acres of precious land to the institution and by this the college starts its functioning. In 1987 the commerce facility has started with the same mission. During 2000 February, the college was been renamed as GEC. G. S. Patil Arts and Commerce College, Kundgol.

The College is included in the list of colleges prepared under section 12 B of the UGC act 1956 under the head Non-Government colleges teaching up to Bachelor's degree.

Out Management: The Management and faculty share a strong belief and commitment in educating and empowering boys and girls by giving them a whole sale education. The management also runs a number of education institution and social organization.
